

Remedial Teaching 2015/2016

Course: **Research in ELT**

Credits: 2

Instruction:

1. Take 2 thesis from your local library and identify the research variable. Next, decide what kinds of data are they: quantitative or qualitative? Give elaboration in detail.
2. Search a Mirdi's article (you may go to google or scholar google). Then, write the summary in one paragraph length. Provide the reference.

Notes:

Your work must be hand writing and submit afterward.
